

PMS

The nucleus of a hotel's systems is always the Property Management System (PMS), since every transaction must run through the PMS for operations, accounting and guest services. Given this important function to the hotel's operation, companies will find O'Neal Consultants' expertise essential to system reviews and selection.

O'Neal Consultants' services include developing a PMS Request for Proposal (RFP) and managing the procurement process, so that you have our expert supervision regarding proposal comparisons, contract documents, installation monitoring, and final inspection. In addition, O'Neal Consultants is available for existing systems reviews and consulting.
