

Voice Transmission

O'Neal Consultants has years of experience in assisting clients in the selection of a voice transmission vendor, and knows the domestic and international players serving the industry. We stay informed of the latest issues facing carriers including pricing, making it easier for you to select the appropriate vendor.

O'Neal Consultants' comprehensive approach begins with a process of discovery that pinpoints the client's special needs and the range of desired services within the geographic area being served. Next, O'Neal Consultants creates detailed specification requests which describe the requirements, delivers these to geographically appropriate, pre-approved carriers, and follows up by analyzing the vendor's responses. O'Neal Consultants recommends the best carrier and manages every step, from contract negotiations and preparation, to monitoring of the actual installations process. Afterwards, O'Neal Consultants performs a final inspection to assure compliance with the contract, and if satisfactory, recommends acceptance.
